Learn and Play Lacrosse

The Dayton Lacrosse Club is an independent lacrosse organization comprised of boys and girls from schools throughout the Dayton area, the club is the culmination of efforts by three lacrosse enthusiasts — John Reed, Harry Calcutt and Patti Jo Vore.

Lacrosse, considered to be America's first sport, was born of the North American Indian, christened by the French, and adopted and raised by the Canadians. Although most folks think of Hockey, Lacrosse remains the national sport of Canada. Modern lacrosse has been embraced by athletes and enthusiasts of the United States and the British Commonwealth for over a century.

The sport of lacrosse is a combination of basketball, soccer and hockey. Anyone can play lacrosse--big or small. Although lacrosse is a contact sport, the game requires and rewards coordination and agility, not brawn. Quickness and speed are two highly prized qualities in lacrosse. Lacrosse is fast-paced and action packed. Lacrosse is played with a stick, or "the crosse", which must be mastered by the player to throw, catch and scoop the ball.

DLC is open to all young men and women in the Dayton area. We have boys and girls teams for grades K-12. There is no need for any playing experience. DLC will teach you the not only the fundamentals, but also the skills of sportsmanship.

If you are interested in learning how to play, please contact us at 937-886-2581. We want to share our love of the game with you. Registration will begin in late September, early October.
